DEDICATION

MISS REED WEST

"On stage everybody!" "Don't forget play practice tonight!" By these expressions we shall always remember Miss Reed West, whose understanding of our shortcomings has won the love and respect of all of us. Through her efforts as Dramatic Club sponsor, clumsy try-outs and poor dress rehearsals have blossomed into polished performances. This indeed is a credit to her ability as play director.

Miss West taught all of us Freshman English and gave us the basic foundation in journalistic writings. From her teaching of English we learned the essentials that make it possible for us to edit an annual and newspaper. Any of our future journalistic undertakings will have as its basis the grammar and creative writings we learned under Miss West.

Not only because of our love and respect for one who goes out of her way to be helpful, but also because our annual has a journalistic theme and Miss West gave us our start in such a field, do we dedicate THE PEANUT of '46 to a person of infinite patience and understanding, Miss Reed West.

FOREWORD

That medium by which we keep in touch with the entire world is the newspaper. It gives local news and foreign news; good news and bad news; funny stories and sad stories. It tells of the well-known men and women of today; sometimes we even see our own name in print. That really makes us swell with pride, doesn't it? Because of the important role the newspaper plays in our lives, both in school and out, the staff of THE PEANUT of 1946 has selected as its theme "The Newspaper."

The sections of a newspaper fit very nicely into the activities, faculty, classes, and sports of our school. The front page news is comparable to the headline news of school, made by the various clubs and activities. Since the news section is the main part of a paper, we have made the activities our first section.

The ones who see that a newspaper turns out its best editions are the various editorial and business staffs. Therefore, we compare in our second section the newspaper editors and business managers to those in school who try so hard to see that each pupil becomes a successful person. They are our teachers, principal, superintendent, and school board.

The third section of our yearbook is comprised of our students who make up the classes of Suffolk High. We shall call them the producers of the newspaper—the reporters, cub reporters, copy boys, typists, and proofreaders.

And what student ever passes the entire day without avidly reading the sports news? This, our fourth section, is a very important part of our school life, and in it we present our athletic teams, cheerleaders, and monogram winners.

Then there is that section of the newspaper to which most of us turn first—the feature. Among those features which you will see both in the newspaper and in the fifth section of this annual are comics, a crossword puzzle, and important names and events in the news.

Of course our advertisements pay for our annual just as they pay for a newspaper. Therefore, no annual is complete without having its final section made up of "ads." In this part of our book we present our advertisers who have made this volume possible.

Surely, the newspaper's the thing!

Saunders and Tucker Elected New Leaders of School

OFFICERS UNANIMOUSLY CHOSEN

Bobby Saunders and Charles Tucker were unanimously elected the new president and vice-president, respectively, of the Student Senate for 1945-46 at the election held September 14, 1945, in the homerooms. This is the first time in the history of Suffolk High School that the choice of the student leaders has been unanimous.

The duties of the officers began as soon as they were sworn into their new positions at the regular Wednesday assembly held September 19. One of their first acts was to appoint Clarice Byrd secretary of the Senate and Ways and Means Committee.

IMPORTANT MATTERS DISCUSSED

The Student Senate discussed several important matters at its meeting held the first Monday in November. The details of the championship football game to be held in November were delegated to various committees appointed by the president. Several representatives reported that their homerooms wished to make minor changes around the school. Some of these included staying off the flag green and parking bicycles behind the school building. As a means of raising money for the Student Senate Fund, the Finance Committee proposed the sale of school articles to the students. These articles include school hats, banners, and service pins. The homeroom representatives were requested to report the discussions of all Senate meetings in their rooms.

Executive Body Begins 1945-46 Session

DUTIES OF COMMITTEE EXPLAINED

The specific duties of the Ways and Means Committee were explained by Mr. W. R. Savage at the regular committee meeting on October 8, 1945. He said that the Senate and Ways and Means Committee will work together in eliminating difficulties of the student body. Before recommendations are brought before the Senate, they undergo a thorough examination by the Ways and Means Committee in order to eliminate those that are unnecessary. Mr. Savage explained that the Social Committee would work out regulations concerning the dances; the Assembly Committee would plan for the year's assemblies; the Finance Committee would work out budgets to raise funds for special purposes, such as Triangular and Circular awards; the Clubs Committee would have jurisdiction over the school clubs; and the Building and Grounds Committee would

sponsor campaigns for keeping the school more clean and beautiful. He said that the general work of this committee is to save the time of the Senate.

SUBCOMMITTEE CHAIRMEN CHOSEN

At the September 24, 1945, meeting of the Ways and Means Committee, chairman Harold Barrett appointed the sub-committees and their chairmen. The chairmen of the various committees for the year are: Betty Aaron, Social; Annette Jones, Assembly; Polly Vann, Clubs; Robert Parker, Finance; Nan Taylor and Jimmie Bullock, Athletic; Forrest Mallette, Bonds and Stamps; Sue Hines, Publicity; Jimmie Baines, Building and Grounds; and Don Mallette, War Activities. It was announced that this committee would meet twice a month.

Peanut Wins High Rating In State Contest

1946 ANNUAL RECEIVES RATING OF SUPERIOR IN PUBLISHING CONTEST

Announcement has been made by the Virginia High School Literary and Athletic League that the 1945 PEANUT has received a rating of "Superior." The following are the good points as mentioned by the judge: "The PEANUT is an outstanding yearbook and generally is to be commended for its rounded picture of school life. The cover is handsome, and the theme based on organizations of the federal government is excellent. The effect of the red over prints on the black type is good. The calendar in the form of ink sketches is well-posed, and you are to be congratulated for care in identifying your 'Senior Parade.' The informal picture of your dedicatee is superb.

"Among the weaknesses are these: some of the group pictures were not identified; sched-

ules and scores of the basketball teams should have been added; and not all pictures in the snapshot layout are clear."

1946 STAFF CHOSEN BY EDITORS AND SPONSORS

On September 19, 1945, the co-editors of the PEANUT, Betty Dixon and Nancy Alberts, met with their sponsors to draw up the staff for the 1946 edition. Alice Hosier was appointed literary editor; Sarah Gobbel, feature editor; Jean Edwards and Jack Nurney, sports editors; Herbert Briggs and Bill Jennings, art editors; Anne Johnson and Catherine Callis, photographic editors; and typists, Jane Carroll, Jane Klein, Mary Helen Rawles, and Janice Slavin. The Business Staff will be in charge of Jean Kelley, as business manager; Jimmie Bullock as advertising manager; and Polly Vann as subscription manager.

Peanut Picker Wins First Place for 10th Year in Group 2 Schools of Virginia

WINS CSPA's HIGHEST AWARD

The Suffolk High School bi-monthly newspaper, the *Peanut Picker*, has been judged for the tenth consecutive year as the champion of the newspapers from other Group II schools throughout the state. The contest takes into consideration the school papers of all Group II schools in Virginia. It was also announced early in September that the 1944-1945 *Peanut Picker*, judged by the Columbia Scholastic Press Association, received the rating of "distinction," the highest honor. Half of the issues judged were edited by Margaret Hines and the other half by Virginia Vaughan. Miss Basler has been sponsor of the paper throughout its years of victory.

PUBLICATION OFFICE REDECORATED BY JOURNALISTIC STAFFS

The *Peanut Picker* and THE PEANUT staffs have completed the redecoration of the Publications Office. The color scheme, maroon and blue, has been carried out in the newly painted walls and the inlaid linoleum floor covering. Also draperies and venetian blinds have been hung at the windows. Tables, chairs, a bookcase, and filing cabinets where copies of old editions, cuts, and other records may be kept have been added for each staff.

This project was sponsored through the combined efforts and finances of the *Peanut Picker* and THE PEANUT in order that the publications of Suffolk High might be carried on in a more efficient manner.

First Handbook of S. H. S. Printed

MEMBERS OF STAFF ANNOUNCED

Sue Hines has been appointed by Mr. W. R. Savage to edit the first handbook ever to be published in Suffolk High School. It is hoped that the book will be ready for publication some time in May.

Plans for a handbook were first made by Sigma Sigma, an honorary journalistic club, in 1943, but when the club disbanded the plans were dropped.

The editor has arranged her staff assistants, all seniors, as follows: Alice Hosier, Harold Barrett, Nan Taylor, Jack Nurney, Betty Dixon, Jimmie Baines, Jean Kelley, and Robert Parker. Martha Bryant is typist.

DANCE TO FINANCE HANDBOOK

The Handbook Staff will give the first dance of the season in the high school gymnasium Friday night, October 5, 1945, after the Alexander Park football game. This dance is to be given to raise funds for the publishing of the handbook which will be presented free of charge to all students in school.

The handbook will also be financed through contributions made by various clubs in school. The staff has already acknowledged receipt of \$15.00 from the Girls' Junior Hi-Y; from the Boys' Senior Hi-Y, \$24.08; and \$18.00 from the Girls' Senior Hi-Y.

It is hoped that this book will give to the students first hand information on school rules and regulations and will be of benefit to them in their school work.

Junior Red Cross Council Plans Active Year

PLANS FOR MONTHLY PROJECTS
DISCUSSED

The Junior Red Cross Council discussed plans for the coming year at the October 3, 1945 meeting, held under the new sponsorship of Mrs. G. Warren Taylor. The Junior Red Cross membership drive will be sponsored in Suffolk schools in November. The December project will be a drive for the collection of such things as decks of cards and comic books. Under the auspices of the council, Christmas boxes for the children of war-torn countries will be filled. The January projects will be a first aid class for the high school students and preparation of literature for the annual Red Cross Drive. Scrap books of selected jokes and pictures for wounded service men will be the February project. Plans were made for a nutrition class taught by Miss Elizabeth Marable to be the March project.

SPECIAL PROJECT AT PORTSMOUTH
NAVAL HOSPITAL

The Junior Red Cross Council of Suffolk High School has undertaken as one of its special projects the helping of the wounded veterans in the Naval Hospital at Portsmouth. This project was decided upon at the December 11, 1945 meeting. Among those services to be rendered will be the making of favors and nut cups to be sent each holiday to the veterans.

The officers of the council announced that they would entertain the members of the council at a Christmas party on December 16.

Club Aspires To High Goals For Year

SETS UP IDEAL STANDARDS

At the second meeting of the Home Economics Club in September, the members set up seven goals. These goals are: (1) work for high ideals of homes and family living; (2) help with community services; (3) help improve health of people in the community and school; (4) promote wholesome recreation in the home, school, and community; (5) improve the school building and grounds; (6) put the club on a sound financial basis; (7) improve and strengthen the local chapter of the Future Homemakers of America. These goals were set up in order to help the home, school, and community, and express the motto of the club, "Forward to New Horizons."

MEETING OF ASSOCIATION TO BE HELD HERE

The Suffolk High School Home Economics Club is making plans to entertain the home economics clubs of the surrounding counties at a district meeting of the Virginia Association of the Future Homemakers of America to be held in Suffolk in May. The clubs which will attend will come from the schools of Franklin, Boykins, Isle of Wight, and Nansemond counties, Smithfield, and Chuckatuck. The exact theme for the meeting has not yet been announced but will deal with the general problems of making homes.

Committees for the meeting have already been appointed and work has been begun by the members under the sponsorship of Miss Elizabeth Marable, Home Economics teacher.

Debating—Aim of Wranglers

CLUB BEGINS NEW PROJECT

At a meeting of the Wranglers' Club held on October 4, the members voted to undertake as one of their projects for the year the securing of students to preside over the regular assemblies each week and to lead devotionals. It is hoped that this project will help the members to master the art of presiding over and appearing before a large body of people.

It was also voted to resume the sponsorship of the debating teams for the contests to be held by the Virginia High School Literary and Athletic League. This had been one of the Wranglers' former main projects, but because of the war, debating in district and state contests was discontinued.

WASHINGTON BALL MAIN EVENT

Members of the Wranglers' Club met on February 7 to nominate candidates for queen and maid-of-honor of the annual George Washington Ball which is to be held Friday night, February 22, in the high school gymnasium. The queen will be chosen from the junior and senior classes and the maid-of-honor will be chosen from the lower classes. Voting is to be done in the homerooms and the ballot polls in the halls.

The chairmen of the various committees have been chosen by the executives of the club: Nan Taylor, concessions; Clarice Byrd, door; Forrest Mallette, decorations; and James Causey, music.

The dance, one of the main social events of the year, will be semi-formal.

Boys' Senior Hi-Y Aids School and Community

SADIE HAWKINS STOMP TO BE GIVEN

The annual "Sadie Hawkins Stomp," sponsored by the Boys' Senior Hi-Y club, will be given Friday night, November 2, in the high school gym. This dance is given in honor of the man-crazy damsel of Dogpatch. The decorations will depict the life of the characters of the village. The theme of the floor show will carry out the leap year idea in various stunts.

The event will be co-ed and all girls are asked to wear cotton dresses. The boys are requested not to dress up, in order to be in keeping with the spirit of the occasion.

Dancing will begin at eight o'clock and end at eleven. This particular dance will end early because of the football game Saturday night with Cradock.

UNIQUE INITIATION PLANNED

At a meeting of the Boys' Senior Hi-Y club, October 3, it was announced that the initiation of new members would take place the following week. The committee on initiation reported that the new members are to come to school with buckets and brushes prepared to scrub the front steps.

Also the committee on finances reported that money had been turned in to the treasurer from the sale of the concessions at the Junior Varsity football games and programs at the Alexander Park game.

The club voted to contribute twenty-five dollars to the Salvation Army Christmas cheer fund.

Club Offers Able Services to School and Community

PLANS MAPPED FOR PROJECTS

The Project Committee of the Girls' Senior Hi-Y Club announced at the meeting held on October 30, 1945, the projects which the club will undertake to offer services to both the school and the community for the coming year. They are as follows: to keep the bulletin boards in the halls; to decorate the school at Christmas time with pine and holly; to clean and redecorate the girls' third floor rest room; to sponsor a lost and found department; to fill Christmas boxes for service men; and to collect Christmas gifts for an unfortunate child.

Also the Social Committee reported that the club would entertain the new members at a chow mein initiation party Wednesday night, October 24, in the Home Economics Department.

PROGRAM MEETINGS PLANNED

At the October 16, 1945 meeting of the Girls' Senior Hi-Y, Betty Dixon, chairman of the Program Committee, announced that the members would study foreign countries in their program meetings, and that guest speakers had been secured for the club each month. The following speakers and topics were announced: Dr. Whitney Godwin on France; Miss Martha Macklin on Mexico; Mr. Paul Everett on Japan; Dr. Samuel T. Habel on Scotland; and George Howerton on Germany.

The club also voted to continue its policy of attending in a body with the other Hi-Y clubs different churches of the city each second Sunday in the month.

Boys' Club Holds Induction at Presbyterian Church

HI-Y INDUCTS 19 NEW MEMBERS

The Boys' Junior Hi-Y Club held its induction service for new members Monday evening, February 11, at the Presbyterian Church. In this service, which was held by candlelight, the officers explained to the inductees the ideals of the Hi-Y Club—clean living, clean speech, clean sports, and clean scholarship. Rev. Graham McChesney, pastor of the Presbyterian Church and newly elected sponsor of the club, then gave a summary of the aims and ideals of Hi-Y.

Those inducted into the club were: Bill Allen, Samuel Austin, Milton Chalkley, Preston Cook, Henry Cross, Parker Cross, Buck Marks, Charles Hosier, Charles Johnson, Raymond Little, Alvin McBride, Bobby Moore, Donald Neal, Benny Plewes, Richard Panton, Richard Sykes, Bobby Spivey, Jack Stroud, and Don Howell.

CLUB ENTERTAINS AT WEINER ROAST

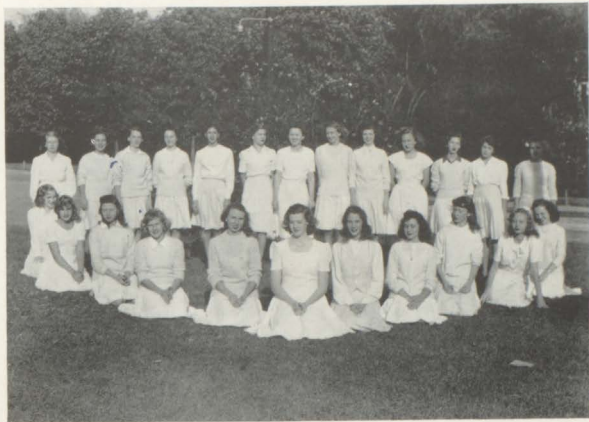

The Boys' Junior Hi-Y Club entertained the Girls' Junior Hi-Y at a weiner roast last Saturday night, November 10, at the Suffolk Golf Course.

A committee of five under the chairmanship of Bobby Nimmo were in charge of the planning for the entertainment. Others on the committee were Preston Cook, Donald Neal, Milton Chalkley, Raymond Little, and Parker Cross.

All joined in group singing around a bonfire to conclude the program for the evening.

Miss Lucy Britt, sponsor of the Girls' Junior Hi-Y, and Mr. Charles Radford, sponsor of the Boys' Club, chaperoned the group.

Girls' Club Has Active Year

CLUB PLANS STUDY OF BEATITUDES

The Bible Committee of the Girls' Junior Hi-Y Club announced that the club will make a study of the Beatitudes as its Bible Study project for the year.

The speakers planned for the year are: Rev. Charles Jones in October speaking on the first Beatitude; Rev. Graham McChesney in November speaking on the second; Mr. S. T. Godbey in February speaking on the third and fourth Beatitudes; Rev. Victor Murchison in March on the fifth and sixth Beatitudes; and Rev. F. L. Baker in April speaking on the seventh and eighth Beatitudes.

In the past the Hi-Y has studied the Ten Commandments and the beliefs of various denominations. Their present Bible project will round out a full Bible course and will prove both educational and spiritual.

PROJECTS FOR YEAR REPORTED ON

A report of the projects for the year 1945-46 of the Girls' Junior Hi-Y Club was given by the Program Committee at the meeting of May 2, 1946. These projects included services to both the school and community. Two projects extended from last year were guarding devotionals during assembly and seeing to the proper care of the girls' second floor rest-room. Twice during the football season the club sold programs at the games. This acted both as a service to the school and as a means of securing funds for the treasury. During the March of Dimes Campaign the girls collected money for the Infantile Paralysis Fund at the Suffolk theaters. The group fixed a basket of food for a needy family at Christmas time. Contributions have been extended to the Joy Fund and March of Dimes.

Glee Club Begins Reorganization

MISS BUGG TO BE DIRECTOR

Miss Mary St. Clair Bugg began the reorganization of the Boys' Glee Club of Suffolk High School, October 8, 1945. The officers elected for this year are as follows: Morrison Smither, President; Raleigh Ellis, Vice-President; Arnold Baker, Secretary and Treasurer; and Sarah Gobbel, Accompanist.

Approximately thirty-five boys were invited to join the club after first having passed the try-out tests.

They decided to meet Tuesdays and Thursdays third period. Because it was not possible to organize the club earlier, Mr. W. R. Savage declared it would not be possible to give credit for this year's glee club work.

PLANS FOR MUSICAL PROGRAMS LAID OUT

The combined Boys' and Girls' Glee Clubs planned several musical programs to be given in the school at their October 29, 1945, meeting.

The clubs selected music and began the preparation of several new selections to be used at those programs. The Christmas assembly for December 18, 1945, will be presented by the combined glee clubs. The clubs will also present the musical program for the Christmas A.P.T.P. meeting. The commencement program for 1946 will have the music of the combined glee clubs and double quartet.

Glee Club Features Double Quartet

NAMES OFFICERS FOR YEAR

At a meeting held October 8, Miss Mary St. Clair Bugg, new director of the Glee Clubs of Suffolk High School, undertook the organization of the Girls' Glee Club for the coming year. The following officers were elected: Elizabeth Fowler, president; Anne Johnson, vice-president; and Virginia Goode, secretary and treasurer. Sarah Gobbel was elected as accompanist for both the Boys' and Girls' Clubs.

About thirty-five members enrolled in the Girls' Glee Club after having first passed a try-out test.

Miss Bugg announced that meetings would be held on Mondays and Fridays during the third period and that practices would begin immediately on numbers to be presented both at school as well as in the community.

DOUBLE QUARTET PRAISED

The double quartet, organized from members of the two Glee clubs of Suffolk High School, has been announced by Miss Mary St. Clair Bugg. They are as follows: Anne Johnson and Marjorie Featherstun, sopranos; Ann Truitt and Julianne Brinkley, altos; Arnold Baker and Harold Sadler, tenors; and Morrison Smither and Raleigh Ellis, basses. These young people have already begun practices on programs to be presented in connection with American Education Week and Youth Week. They will present several selections on the radio during these weeks. Also recently they were presented at the meeting of the Association of Parents, Teachers, and Pupils and have made appearances before such organizations as civic clubs and church meetings.

THREE-ACT PLAY PRESENTED BY PLAYMAKERS

On Friday evening, January 11, 1946, the Playmakers' club presented a three-act comedy entitled "June Mad." The whole club helped in its presentation by either serving on a committee or taking part in the performance.

The theme of the play was that of a teenage girl, Penny Wood, who suddenly realized that she was no longer a tomboy but had become a young lady. Sarah Anne Fee had this role. Don Mallette played the part of "Chuck," the boy who had grown up next door and seldom thought of anything which didn't affect his home-made glider. The supporting cast was made up of Bobby Pittman, Anne Truitt, Clyde Green, Polly Vann, Jack Nurney, Alice Hosier, Virginia Goode, Jimmie Baines, Donald Levy, Jean Shallcross, and Beverly Carter. Each of these added to the hilarious Saturday night party.

ONE-ACT PLAY TO BE ENTERED IN STATE CONTEST

The Playmakers' Club is planning to sponsor the presentation of a one-act play which will be entered in the Virginia High School Literary and Athletic League Contest, sponsored by the University of Virginia. Committees have been set up to select the play to be given and the cast.

During the first week in April the cast will go to Norfolk for the preliminaries. The winners here will go to Charlottesville in May for the state finals.

The Playmakers are planning to present the play they choose for the contest before the Association of Patrons, Teachers, and Pupils at the March meeting.

MR. W. R. SAVAGE, JR.

In 1945 we were fortunate to welcome into our school as principal, Mr. W. R. Savage, Jr. He not only has been a guiding factor of our school life but has done much for the welfare of this community. He is very active in the religious and civic, as well as the educational circles of our city.

There is no one in Suffolk High needing advice or guidance who hesitates to take his difficulties and problems to Mr. Savage. Surely, we all respect, admire, and honor our principal who we know always rejoices with us in our triumphs and sympathizes with us in our failures.

SUPERINTENDENT Business Manager

Outstanding among the leaders in education in Virginia is Mr. S. T. Godbey. He came to Suffolk in 1939 to supervise all the schools here. Through his achievements our school life has greatly been enriched.

His willingness to help each student and faculty member at any time and his friendliness to everyone makes Mr. Godbey a man whom we shall long remember and always love.

His interests are not confined to education alone. Mr. Godbey is an active leader in the Rotary Club, the American Legion, the Boy Scout Organization, and the Suffolk Presbyterian Church.

Raiders and Covington Half-State Champions

RAIDERS OFF TO GOOD START

The Suffolk High Red Raiders took the honors this season, being the undisputed winners of District I, and playing Covington to a tie for the half state championship.

This year the Raiders lost no conference games and only one game outside of Group 2. The only defeat was the expected 26-0 whipping that Class A Maury handed the Randers.

In the opening game of the season the untested Raiders met and beat the Kempsville Blue Devils, 25-0. The game showed the power of the complete Raider back field, as

each of the four backs was responsible for a touchdown.

NORVIEW FIRST CLASS B. GAME

After being defeated by Maury at Foreman Field, the Raiders traveled to Norview to play the Pilots Friday afternoon, September 28. Suffolk won its first conference game that afternoon, defeating the Pilots 19-7.

For the second home game of the season and the first conference game to be played in Peanut Park, the Raiders entertained Alexander Park. The Nationals were swamped 28-0 by the Raiders.

THE ELEVEN

SOUTH NORFOLK TAKEN

On October 12 the Raiders faced what was supposed to be their most formidable rival, South Norfolk. The game, played in Peanut Park, gave the Raiders a 13-0 victory over the Tigers.

In the next two weeks Broad Creek and Churchland journeyed to Suffolk only to be defeated 32-0 and 46-0 respectively.

On Saturday night, November 3, the Suffolk team played Cradock in the Portsmouth Stadium. Although the Cradock Admirals showed surprising power, the Raiders overcame them, 21-6.

RAIDERS WIN EIGHTH STRAIGHT

After the Raiders had traveled to Oceana to take their seventh game 19-6, the Raiders played host to Morrison High. Although the game had no bearing on District 1 championship, it was just as important. In order to avenge last year's defeat at their hands, the Raiders were very determined to win this game. Morrison went down 13-12 in one of the most exciting games of the season.

On Saturday afternoon after Thanksgiving, the Raiders played host to the Covington Cougars—winners of District 2 championship. Using tricky pass plays the Cougars scored in the first quarter. The fighting Raiders came back with straight plays to tie the score, 6-6.

So ended a top-notch season, the Raiders being undefeated in Group 2 and sharing half-state championship with Covington.

Girls' Basketball Team Ends Season With Ten Wins

NAN TAYLOR IS SEASON'S HIGH SCORER

A look at the Girls' Basketball Team's scores proves that the year was a successful one, although it did not win the title of Class B championship as did the previous teams for the last ten years. The girls have ten wins to their credit, having scored a total of 532 points to their opponents' 448. The individual high scorer for the team was Nan Taylor with 252 points, followed by Jeanette Hobbs with 123. The season was outstanding for the hard-fought games the girls played and for the high type sportsmanship displayed in every game.

The season began early in November when Coach Emily Pittman picked her team from her gym classes. Nan Taylor and Evelyn Putnam, both Seniors, were elected co-captains by the squad and Betty Dixon, manager with Jean Shallcross as assistant.

Red Raiders End Season With High Record in Sportsmanship

ELEY IS HIGH SCORER FOR THE RAIDERS

At first glance the Red Raiders' basketball record this year does not seem so impressive. However, the actual scores are not the most important results of a team's season.

The Raiders at times played a good brand of basketball. One of the surprises of the season came when the Raiders whipped the highly rated Oceanans. With two minutes to play and the score tied the Suffolk team edged ahead. In the Alexander Park game the Raiders lost by one point when the Parkers came from behind to score the winning goal.

Co-Captains Harold Barrett and Jimmie Baines with Bobby Saunders formed the nucleus of the starting five. Coach Dick White used Buck Kozak, George Jernigan, Claud Eley and Jack Nurney interchangeably to complete the starting team. The high scorer of the season was Claud Eley, piling up 111 points. Trailing close behind was Harold Barrett with only one point's difference.

Managing this team were Jimmy Bullock and Horace Pierce, assisted by Jack Stroud.

MEETING OF YEAR

At the first meeting of the Monogram Club in October, Garnet Griggs was elected president, Jack Annas, vice-president, and Raleigh Ellis, secretary and treasurer. Plans were discussed for a dance to be given in the fall to help raise funds for activities of the club. The club also voted to take in new members after the football letters had been awarded in assembly at the close of the football season. Also it was decided that meetings would not be held regularly, but would be called by the president when problems for discussion arose.

MONOGRAM WINNERS STRESS GOOD
SPORTSMANSHIP

The Monogram Club is organized each year for the purpose of upholding all high school athletics in every way possible and to stress good sportsmanship at all times whether in a victory or in a defeat. The membership of the club is made up of those boys who have earned their S's for ability in athletics and for clean sportsmanship. Upon receiving their letter, a boy automatically is accepted into the club if he wishes to become a member.

One of the main projects of the Monogram club is to sponsor spring sports. Through their efforts baseball, tennis, and track are offered as sports at Suffolk High School.

Edwards and Aaron Newcomers to 1945-46 Squad

FIVE LETTERMEN BACK FROM LAST
LAST YEAR'S SQUAD

Jean Edwards and Betty Aaron were selected by a committee of faculty and students as newcomers to the 1945-1946 cheerleading squad. Try-outs were held in the auditorium during the first week of school in September. Meeting the final test were those who showed ability in following a cheer without rehearsing.

From last year's squad were the lettermen Sue Hines, Annette Jones, Catherine Callis, Jack Nurney, and Morrison Smither. Little Alice White, five year old daughter of Coach Dick White and Mrs. White, acted as mascot. Miss Emily Pittman coached the squad throughout the season.

CHEERLEADERS MORALE BUILDERS FOR
TEAM AND SCHOOL

Without the cheerleaders of Suffolk High School to spur the teams on, the morale of all the players would be at a low ebb. The spectators cannot imagine how much an ear-splitting cheer from the grandstand boosts the confidence of everyone on the team. It is in this way that the players know the entire student body is behind their efforts. In this way too, they help build school spirit for the students who, as a unit, give rousing cheers for their teams. Because they are behind the cheerleaders, they are helping to win the game, too.

Much credit should go to the cheerleaders who spend long hours practicing yells, learning new cheers, and being on the job always at every game.

OUTSTANDING SENIORS

Because these ten Seniors have had the responsibility of leading the class in scholastic achievements, extra-curricular activities, and athletics, and have proved themselves worthy leaders, their classmates have elected them as the outstanding Seniors of 1946.

Each of these Seniors has been active in one or more fields, but we shall remember them mostly for the following—Nancy Alberts as co-editor of *THE PEANUT* and treasurer of the Senior Class; Jimmie Baines as vice-president of the Senior Class and co-captain of basketball; Betty Dixon as co-editor of *THE PEANUT*; Harold Barrett as president of the Wranglers' Club, co-captain of basketball, and chairman of the Ways and Means Committee; Sue Hines

as editor of the *Peanut Picker*; Forrest Mallette as president of the Boys' Senior Hi-Y Club and co-captain of football; Annette Jones as president of the Girls' Senior Hi-Y Club and news editor of the *Peanut Picker*; Jack Nurney as President of the Senior Class; Jean Kelley as business manager of THE PEANUT and secretary of the Senior Class; and Bobby Saunders as president of the Student Senate and co-captain of football.

As in the past the Seniors honor those classmates who have largely borne the responsibility of leading the many activities in Suffolk High School for 1946 by giving them the title of outstanding Seniors.

Sarah,

Well, here I go again, writing in your annual. This year sure has passed but hasn't it. Don't forget that wonderful time we all had at Page Hall. Even if we couldn't dance they got us at the Jr. Sr. let us raise a glass to you. Well, never seeing a swell girl but I luck in everything.
